COME DANCE WITH US!

Buying ad-space from danceontario.ca secures a coveted marketing space on the front page of Ontario's dance community (1500 daily hits).

The Ontario dance community is special. The wide and diverse range of studios, artists and companies have created a uniquely accessible landscape that truly has something for everyone. That's not a reality everywhere in the world.

The pandemic has stretched many organizations to their financial limit. Buying ad space is an effective, and mutually-beneficial way of supporting dance during this critical moment in our community's history.
